Helping you to keep your
child safe online

EVERY CHILDHOOD IS WORTH FIGHTING FOR

We tell children it's good to share, but online it's different. That's why we're asking parents to be Share Aware.

From time to time things can go wrong online. We know it can be worrying, but we can help.

Your child might have ‘overshared’ – shared too much information about themselves – or someone might have shared some content with them that you’d rather they hadn’t seen. Whatever has happened, there will always be something you can do to make it better.
